**The Ancestor cut of The Resurrected:** ULTRARARE screening of Dan O'Bannon's workprint! This adaptation of The Case of Charles Dexter Ward stars Chris Sarandon as a man obsessed with the dark legacy of a long dead relative. Released originally as The Resurrected in a truncated, producer edit, this is a screening of the director's preferred version. Not to be missed.

Thursday August 20th - 2:30 pm at the Providence Public Library.

Friday August 21st - 7 pm at the Providence Public Library

**Dark Intruder:** Rarely seen! Leslie Nielson stars in this atmospheric thriller about an occult detective in 1890's San Francisco. He and his dwarf assistant must race against time to foil the machinations of an ancient demon. Produced in the mid-1960s as a television pilot, the film was deemed too dark to go to series! Screens with Pickman's Model segment from Night Gallery.

Thursday August 21st - 7:30 pm at AS220 Blackbox.

Friday August 22nd - 4 pm at the Providence Public Library.

**Europa Report:** Lovecraftian sci-fi! A specialized team of astronauts is sent on an arduous mission to a moon of Jupiter in search of life. Their journey takes them deep into the darkness of the unknown. As the mission goes off the rails, each of them must face their own mortality and larger questions about mankind's place in the universe.

Thursday August 20th - 12:30 pm at the Providence Public Library.

Followed by Q&A with screenwriter Philip Gelatt

**Feed the Light:** Winner of the Best Feature Film at the 2014 Lovecraft Film Festival! In Henrik Möller's surreal and atmospheric thriller, a young woman searching for her missing daughter takes a job as a janitor with a mysterious and sinister corporation. Her quest will reveal terrible secrets hidden inside the building.

Friday August 21st - 1 pm at the Providence Public Library

Saturday August 22nd - 4 pm at the Providence Public Library Followed by Q&A with filmmaker Henrik Möller

**Lovecraft: Fear of the Unknown:** An examination of the life of H.P. Lovecraft and his work. This in-depth documentary features interviews with Neil Gaiman, Guillermo Del Toro, John Carpenter and more!

Thursday August 20th - 10:15 am at the Providence Public Library

**Night Gallery:** A special presentation of an all Lovecraft themed Night Gallery episode. Ever wonder what Rod Serling had to say about HPL? Come and find out! Featuring segments based on Cool Air, Pickman's Model and more!

Saturday August 22nd - 1:30 pm at the Providence Public Library.

Sunday August 23rd - 2 pm at AS220

**The Dunwich Horror Picture Show:** Special screening of the 1970 film! This screening will feature audience participation, live music and other surprises. Come be a part of a phenomena in the making.

\*\$5 for everyone - including Convention Passholders

Sunday August 23rd 9 pm at the Columbus Theater, 270 Broadway
